

## IMARAT RESIDENCES

Imarat Residences, by IMARAT Group offers Smart Living for the first time in Pakistan. Imarat Residences is a key component of Imarat Business District, of which the focal point is Mall of Arabia. Imarat Residences boasts a wide range of amenities in a minimalistic housing model. The project is strategically located in the business district, grounding the budding economic activity. The prime location of Imarat Residences helps connect the commercial with the residential as it is set in proximity to over 20 housing societies of the twin cities situated along the Islamabad Expressway.

## LOCATION

Located at the centre of Main Islamabad Expressway with a distance of 10 minutes from Zero Point. The apartment complex will be situated in proximity to the budding business centre, offering top of the line amenities to its residents.
